This cute-as-a-button 1950's cottage offers a flat, usable yard and an inviting front porch perfect for relaxing. Inside, this move-in ready home features a beautifully updated kitchen with granite countertops and stainless steel appliances, along with renovated bathrooms finished with matching granite counters for a cohesive, modern feel. The flexible layout offers one bedroom and a full bath on the main level, plus two bedrooms (or flex space) and bath ideal in the walkout basement, which includes both interior and exterior access. A main-level mudroom/laundry room adds everyday convenience and a new heat pump in 2023 offers peace of mind. Just minutes from the heart of West Asheville's dining and shopping, as well as the nearby Ingles and Lowe's, this home combines character with thoughtful updates in a highly convenient location.
